

Wool Grease Slave

Weaver Livestock™

Effective Spot Treatment For Skin Infection

Daily Care

This lanolin-rich formula replenishes natural oils for healthy skin. It's nourishing blend of ingredients include all-natural lanolin, olive oil, shea butter, aloe vera, Abyssinian oil, hydrolyzed keratin and tea tree oil. Potent natural properties make this slave an effective spot treatment to help target existing skin infection.

Directions: Apply slave directly to areas with existing skin infection. Use as needed until infection disappears.
