- Kills Fleas & Ticks by Contact (+Larvae & Eggs)
- Repels Mosquitos

Skout's Honor's Flea & Tick Dog+ Home Spray contains some of nature's most potent pest-fighting ingredients to kill fleas and ticks by contact including their larva and eggs) + repel mosquitos.

When used as Home Spray, reduces ticks 78% when used on pets.

**Directions:** Shake Well. For best results, spray on carpets, furniture, pet bedding and any other areas that might be infested. This product is made with natural essential oils that may discolor certain fabrics, so we recommend a test spray on a small inconspicuous area prior to full application. For best results, use in conjunction with Skout's Honor Flea & Tick Yard Spray for outdoor spaces.

**For pets:** Shake well. Lightly spray their entire coat including neck, armpits, legs tail, and tummy., but be sure to avoid the mouth, nose and eyes. Cover the entire coat until damp but not soaked. Then let dry. For best results, rub the animal's fur against the lay while spraying until the product makes contact with the skin. Repeat as necessary every few days for prevention. In order to help reduce the occurrence of fleas & ticks., this product is best used year-round. Safe for use indoors or outdoors, when used as directed.

**Precautionary Statements:** May cause moderate eye irritation. Prolonged skin contact may cause irritation. For external use only. Consult a veterinarian before using this product on debilitated, medicated, pregnant or nursing animals. Not recommended for puppies younger than 12 weeks.

**First Aid:**

**IF IN EYES:** Hold eye open and gently wash with water for 15-20 minutes. If irritation persists, contact a physician.

**IF SWALLOWED:** Immediately drink plenty of water. Do not induce vomiting. Contact a physician.

**Storage & Disposal:** Store in a cool, dry area. Offer empty container for recycling, if available.
