

Release

Sullivan's Supply®

Adhesive & Touch-Up Remover

Danger: Extremely Flammable. Contents under pressure. Harmful or fatal if swallowed. Keep out of reach of children.

- Fast Acting Formula
- Powerful Spray Pattern Blast Through Thick Debries!
- Rinses Out easy for Effortless Same Day Refit.
- Biodegradable.

Directions: Spray onto areas where adhesives and touch-ups have been applied. For optimal results, spray one leg of animal at a time and allow release to work into hair for 5 minutes before combing. During the time of waiting, go to the next leg and apply Release. Next go to the leg of first application and work into the hair with a Smart Comb or Smart Scrub Brush. Rinse thoroughly with water and shampoo with Sullivan's Break Away Anti-Residue Shampoo. After blow drying, the hair will perform naturally and be ready for immediate refitting. Helpful Hint: If not showing the next day, apply Revive after completion of blow drying to rejuvenate areas that were groomed with adhesives. Great for healthy hide and hair!

Danger: FLAMMABLE, CONTENTS UNDER PRESSURE. Intentional misuse by concentrating and inhaling the product can be harmful or fatal. Keep away from heat, sparks, and flames. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F (49°C) as container may burst. Avoid exposure of can to long periods of sunlight. Use with adequate ventilation. KEEP OUT OF REACH OF CHILDREN.

First Aid: EYES: Rinse with water. Remove contact lenses, if present and easy to do. SKIN: Immediately flush skin with plenty of water. INHALATION: If symptoms develop move victim to fresh air. INGESTION: Immediately call a poison control center. With any of the above, get medical attention if irritation or any symptom develops and persists.

Contains: Cyclohexene, 1-methyl-4(1-methylethenyl)-, ®-; Propane, Isobutane
