Vet's Best® Flea & Tick Shampoo for Dogs is derived from nature's most powerful plant extracts, with a unique blend of Rosemary Oil & Peppermint Oil delivering a light peppermint scent. This carefully crafted formula is designed to kill flea, flea larvae and repel ticks while maintaining safety for pets, family members, and your home when used as instructed. For over 30 years, Vet's best® has blended premium quality and plant-based ingredients that work together to comfort and protect your pet.

- ✓ Kills fleas, flea larvae & repels ticks by contact
- ✓ Easy to lather & Rinse
- ✓ Cleans & Deodorizes

**Directions for Use: Read entire label before each use and use only in accordance with label instructions.**

**For Dogs 12 weeks of Age or Older:** Wet entire coat with warm water. Shake product well before use. Apply Shampoo and Lather. Avoid contact with eyes, mouth, nose and genitals. Massage thoroughly into dog's coat. Be sure to treat hard to reach areas such as in between toes. For best results, let stand or continue to massage for 5-10 minutes. Rinse thoroughly to remove dead fleas and ticks and dry dog with towel. Repeat as

necessary. In order to help reduce the occurrence of fleas and ticks, this product is best used year-round.

### **Precautionary Statements Hazards to Humans and Domestic Animals**

**Humans:** Causes moderate eye irritation. Wash hands thoroughly with soap and water after use. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. For external use only.

**Domestic Animals:** Sensitivity may occur after use of any product for pets. Monitor your pet for signs of sensitivity during and after application. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs of sensitivity continue, consult a veterinarian immediately. Consult a veterinarian before using this product on debilitated, medicated, pregnant or nursing animals. For external use only. Do not use on or near kittens younger than 12 weeks old.

**Other Domestic Animals:** Use caution to avoid application on or near cats, fish and other domestic animals. For external use only.

### **First Aide**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists, contact a physician.

**If On Skin:** Wash with soap and water and repeat if necessary.

**Inhalation:** Remove to fresh air.

**Ingestion:** Immediately drink plenty of water. Do not induce vomiting. If symptoms persist, contact a physician.

**Storage:** Store only in original container in a cool, dry area.

**Disposal:** In accordance with all Federal, State and Local regulations. Recycle when available or discard in trash. **If Empty:** Do not reuse this container.

**Made in USA** with domestic and international ingredients
