Heat Sensitive Product: Store with bag sealed in a cool, dry place.

Repairs Restores Protects Benefits:

Repairs

Formulated to create a patch structure in the cartilage where connective tissue is lost accelerating the healing of tendons, ligaments and bones.

Restores

Joint space is regained and joint strength is repaired. Assists in remodeling of connective tissue and bone.

Protects

Lubricates joints by increasing healthy synovial fluid, improving shock absorption and assists in bone density.

How to Use:

Standard Weigh Based Dosage for a Healthy pet:

Feed twice daily for maintenance

1-25lbs = $\frac{1}{4}$ scoop

26-50lbs= $\frac{1}{2}$ scoop

51-75lbs= $\frac{3}{4}$ scoop

76-100lbs= 1 scoop

101-125lbs= 1.25 scoops

126-150lbs= 1.5 scoops

For Post-Op, Rehab Fractures, Advanced Arthritis or Soft Tissue Injuries: double weight base dose for 4 weeks feeding twice daily. As symptoms resolve reduce to maintenance dose.
